Hello Dawson Community,

DPA is looking for the crafty folk in our school community who would be interested in selling their wares at our annual Holiday Coffee & Market. We are looking for quality merchandise or crafts to be sold at the event - *items, not services please*. We welcome an array of items that holiday shoppers would be eager to buy.

We've always embraced our students' entrepreneurial spirit, and as much as we would enjoy seeing our kiddos participate in the event, it is important not to disrupt the classroom and to remember this event is a community builder for Dawson Parents. If, however, a student is eager to sell a product, parents are more than welcome to sell it for them. It has been tradition that the Helping Hands Club, our MS community service program, participates at the event which will likely include student

participation in order to help RuthAnne Schedler run their table.

Please keep in mind space is limited!! You have the option to reserve a full table or 1/2 a table (depending on the size of your items) on a first come first serve basis. The deadline for reservations is November 14th. We would like there to be a variety of gift ideas so if 3 people call with the same idea, we will have to be selective. More reason to be one of the first to make your reservation!!

We are very excited to offer this fun and festive event. Please email Tina Sala to reserve your table spot or if you have any questions. We can't wait to see your festive crafts!!

The Holiday Coffee event is not a fundraiser but, if you want to give a portion of your proceeds back to the DPA, you are welcome to do so. This is not a requirement for your participation.
